Horseshoe Hammond Provides Literacy Kits

On Tuesday, March 17th, a group of employees
from Horseshoe Casino in Hammond helped create and
assemble literacy kits to be passed out to students in the
School City of Hammond. These literacy kits are part of
the Lake Area United Way's new United We Read
initiative aimed to help get children hooked on reading at
an early stage to help improve grades and the likelihood
the students stay in school as they get older. The kits
include both in class and take home projects, a reading
aid (a puppet) and a copy of the book that was read in
class. **Congratulations!**
