Carlotta Blake-King Learning Center

On May 1, 2010 civic leader, business-woman and active Lakeshore Chamber Member Carlotta Blake-King was honored by Douglas Pointe Apartment Complex at a ribbon cutting ceremony of the newly renovated Carlotta Blake-King Learning Center. Carlotta played an instrumental role in coordinating the efforts to create an excellent learning center. Through personal donations, community contacts and family contributions, the learning center was supplied with computers, networking assistance, a printer and office supplies. These and many other resources proved vital to the children that live in the area. Blake-King has tirelessly worked to challenge young people in the community to remain engaged in their educational pursuits and to always work hard at achieving their goals.
